SwitchThink Solutions Signs 150th Client

—25 additional credit unions across the country are outsourcing KeyStone core operations, infrastructure and disaster recovery services to enhance security and operational efficiency—

PHOENIX (January 30, 2025) – SwitchThink Solutions, a leading provider of innovative technology solutions tailored for the credit union industry, today announced significant growth in 2024 with the addition of 25 new clients, bringing its total client count to 150. These credit unions will leverage SwitchThink’s operational expertise and advanced cloud, infrastructure and disaster recovery technology to optimize their KeyStone core platform, ensuring enhanced operational efficiency and member satisfaction.

“Simply put, we are in business to enable our client’s success and we are thrilled to add such a dynamic and diverse group of credit unions this year,” said Scott Butler, CEO of SwitchThink Solutions. “Providing KeyStone credit unions with secure, reliable infrastructure, comprehensive disaster recovery solutions, professional services, and a growing list of innovative solutions in a collaborative manner, is resonating heavily with credit unions. By combining these solutions with our unparalleled KeyStone operational expertise, we’re enabling credit unions to achieve their strategic goals and deliver exceptional experiences for millions of members across the country.”

Throughout 2024, SwitchThink onboarded 25 credit unions varying in size from \$182 million to \$2.1 billion in assets and collectively serving more than 1.2 million members. These clients rely on SwitchThink to provide a combination of secure KeyStone and Enterprise Cloud hosting and professional services solutions. Some new clients include:

- Educational Systems Credit Union (Greenbelt, MD)
- FreeStar Financial Credit Union (Clinton Township, MI)
- Honor Credit Union (Berrien Springs, MI)
- Red River Employees Federal Credit Union (Texarkana, TX)
- State Employees Credit Union (Santa Fe, NM)
- Unity One Credit Union (Fort Worth, TX)
- White Sands Federal Credit Union (Las Cruces, NM)
- TruWest Credit Union (Tempe, AZ)

About SwitchThink Solutions

SwitchThink Solutions is an IT services CUSO formed in partnership with Corelation.
